North Bay's waterfront, on Lake Nipissing, is the heartbeat of the City, featuring a magnificent walkway adorned by beautiful gardens, a museum and a public marina. With sandy beaches, walking paths, warm and shallow waters, ample fishing and boating opportunities, snowmobiling, picture perfect sunsets, and an endless variety of seasonal activities, the waterfront is the place to be.

The downtown core is a vibrant area close to the waterfront and family-friendly outdoor amenities such as the splashpad, parks and walking trails. With numerous retail outlets, professional and personal services, restaurants and hotels, the downtown offers a range of unique products and services. The City of North Bay has a Downtown Waterfront Master Plan to guide development and connectivity between the two core areas. Learn about the plan by visiting the City of North Bay [website](#).
